

Linear relationships

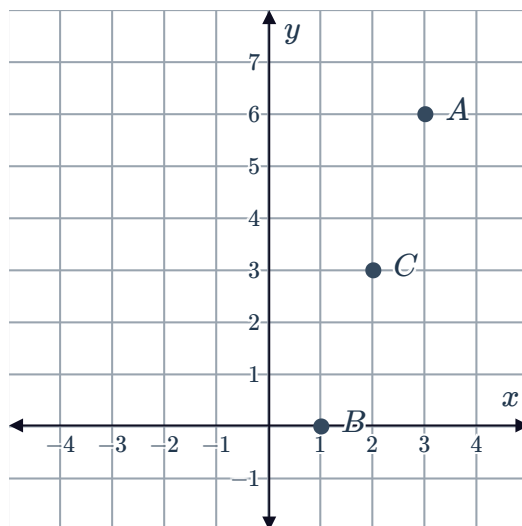

1

- a Yes, because the points lie in a straight line.
- b Yes, because the points lie in a straight line.
- c No, because the points do not lie in a straight line.
- d No, because the points do not lie in a straight line.

2

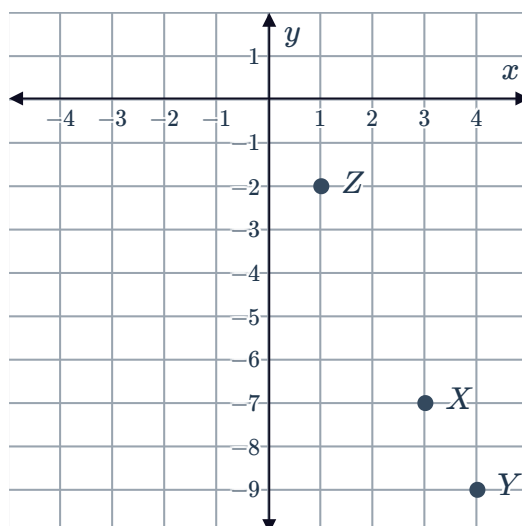

a

- b Yes, because all points lie in a straight line

3

a

- b No, because the points do not lie in a straight line.
