d 119

e 20.17%

f 13.4

g 23.8

h Pens, because the daily mean is higher.

3 Humbleton, because the mean is higher than the median, so most house prices are higher than $\$950\,000$.

4

a 17

b 16

c 29.5

d 37.5

e No, even though their ranges are similar, their means are too far apart.

5

a Positively skewed

b Berger's Burgers

c Fry's Fries, because the range is smaller.

d Fry's Fries, because it has a higher median.

6

a 5.2

b 8.9

c 3

d 3

e No. The results are mostly 4 or 5 out of 10 and the mean is only 5.2.

f Yes. The results are mostly 9 and 10 out of 10, and the mean is 8.9.
