

Prove trigonometric identities

1

- a No solution provided.
- c No solution provided.
- e No solution provided.

- b No solution provided.
- d No solution provided.

2

- a No solution provided.
- c No solution provided.
- e No solution provided.

- b No solution provided.
- d No solution provided.
- f No solution provided.

3 No solution provided.

4

- a No solution provided.
- c No solution provided.
- e No solution provided.
- g No solution provided.

- b No solution provided.
- d No solution provided.
- f No solution provided.
- h No solution provided.

5

- a No solution provided.
- c No solution provided.
- e No solution provided.
- g No solution provided.

- b No solution provided.
- d No solution provided.
- f No solution provided.

6 No solution provided.
